12 UNITED STATES DISTRICT COURT

13 SOUTHERN DISTRICT OF CALIFORNIA

14 INTEL CORPORATION, a Delaware
corporation,

15 Plaintiff,

16 vs.

17 BARRY HOOD dba INTELELECTRIC,

18 Defendant.

) Case No.

) **COMPLAINT FOR DAMAGES AND
INJUNCTIVE RELIEF**

) **DEMAND FOR JURY TRIAL**

20 Plaintiff Intel Corporation ("Intel") alleges as follows:

21 1. This action arises from use of the name and mark "Intellelectric" by Barry Hood, doing
22 business as Intellelectric ("Intellelectric"), in connection with electrical services.

23 2. By using the identical and world famous trademark INTEL in its name and mark with
24 the generic term "electric," Intellelectric has caused and is likely to continue to cause confusion that
25 Intel is the source or sponsor of Intellelectric's services, or that there is an association between Intel
26 and Intellelectric. In addition, Intellelectric's acts are causing, and/or are likely to cause, dilution of
27 the INTEL trademark. Consequently, Intel seeks injunctive relief and damages under the Lanham Act
28 (15 U.S.C. §§ 1051-1127 *et seq.*), federal false designation of origin law (15 U.S.C. § 1125(a)), the

Complaint for Damages and Injunctive Relief

1 Trademark Dilution Revision Act (15 U.S.C. § 1125(c)), California Business and Professions Code
2 Sections 14245, 14247, and 17200, and the common law doctrines of passing off and unfair
3 competition.

4 **I. JURISDICTION**

5 3. This Court has personal jurisdiction over Intellectric because it conducts business in
6 the State of California and, on information and belief, within this judicial district.

7 4. This Court has jurisdiction over this matter pursuant to 15 U.S.C. § 1121 and 28 U.S.C.
8 §§ 1331, 1332, 1338 and 1367. Intel's claims are, in part, based on violations of the Lanham Act, as
9 amended, 15 U.S.C. §§ 1051-1127. The Court has jurisdiction over the state law claims pursuant to 28
10 U.S.C. §§ 1332, 1338(b), and 1367.

11 **II. THE PARTIES**

12 5. Plaintiff Intel is a Delaware corporation having its principal place of business at 2200
13 Mission College Boulevard, Santa Clara, California. Intel is widely recognized as a world leader in
14 high-technology products and services. Intel's products and services are sold worldwide and
15 throughout the United States, including the Southern District of California.

16 6. Upon information and belief, Defendant Barry Hood dba Intellectric has a residence
17 and principal place of business at 316 Palomino Road, Fallbrook, California 92028. Intellectric
18 offers electrical services. Upon information and belief, Intellectric has customers in California and
19 targets consumers within this state.

20 **III. INTEL'S BUSINESS AND MARKS**

21 7. Intel is a world-famous company that develops, manufactures and sells a wide variety of
22 computing, communications, and Internet-related products and services. Intel's customers include
23 individual consumers, businesses, schools, and the government.

24 8. For 40 years, Intel has used INTEL as a trade name, trademark and service mark to
25 identify virtually its entire line of products and services. INTEL is one of the most valuable and
26 respected names and trademarks in the world, and among the most famous names and trademarks in
27 the technology industry. Indeed, the Wall Street Journal has regularly recognized the INTEL mark as
28 one of America's most valuable brand names. Similarly, from 1996 to the present, Fortune Magazine

1 has annually celebrated Intel as one of the top ten "Most Admired Corporations in America" – an
2 honor Intel has shared alongside such companies as General Electric, Microsoft and Coca-Cola. In
3 2007, the INTEL brand was ranked seventh in the world in Interbrand's Best Global Brands survey,
4 with an estimated value of \$31 billion.

5 9. Intel's processors and other technology have a wide variety of applications, including in
6 home networking.

7 10. Intel uses INTEL as its "house mark" on or in connection with virtually every product
8 and service it sells. Intel also regularly uses its INTEL house mark in conjunction with hundreds of
9 other generic terms as the name of a particular product or service. Thus, consumers are accustomed to
10 seeing the INTEL mark combined with generic terms to identify products and services that originate
11 from Intel. In 2007 alone, Intel sold over \$38.3 billion of INTEL branded goods and services and, in
12 the last twelve years, Intel has sold over \$364 billion of products and services under the INTEL name
13 and mark.

20 semiconductor memories. This registration, duly and legally issued by the State of California, is valid
21 and subsisting. A copy of this registration is attached hereto as Exhibit 25.

22 12. In addition to using INTEL as a trade name, a trademark, and a service mark, Intel also
23 owns a large family of marks that incorporate INTEL as a prominent component of the mark. For
24 example, in 1991, Intel developed and launched a cooperative advertising and licensing program
25 referred to as the "Intel Inside® Program." As part of this program, Intel adopted and began to use the
26 trademarks INTEL INSIDE and INTEL INSIDE & SWIRL Logo (collectively referred to as the
27 "INTEL INSIDE marks"). Additionally, it licensed the INTEL INSIDE marks to PC manufacturers to
28 communicate to the end customer that its products, such as personal desktop computers, laptop

1 computers and workstations, were designed with genuine Intel microprocessors. Among Intel's many
2 thousands of OEM ("Original Equipment Manufacturers") licensees worldwide are giants of the
3 computer industry such as Dell, Gateway, Hewlett-Packard, IBM, and Sony. Intel's OEM licensees
4 have undoubtedly sold many billions of dollars worth of computer products bearing the INTEL
5 INSIDE marks. The combined advertising expenditure by Intel and Intel's licensees under the INTEL
6 INSIDE marks (and, since last year, the INTEL mark) has averaged over one billion dollars for each of
7 the last few years. Through extensive advertising and promotion by Intel and its licensees,
8 advertisements reflecting the INTEL and INTEL INSIDE marks have most likely created billions of
9 impressions.

10 13. Intel is the owner of numerous U.S. trademark registrations for the INTEL INSIDE
11 marks covering goods ranging from computer software and newsletters, to clothing and various sundry
12 items. Copies of these registrations are attached hereto as Exhibits 26.

13 14. Intel owns many other trademark registrations for its family of INTEL formative marks.
14 These include: INTEL SPEEDSTEP, INTEL XEON, INTEL INSIDE XEON, INTEL INSIDE
15 CENTRINO, INTEL XSCALE, INTEL NETMERGE, INTEL NETBURST and INTEL
16 NETSTRUCTURE. Copies of these registrations or evidence thereof are attached hereto as Exhibits
17 27 through 34.

18 15. Through its extensive use, Intel also owns common law trademark rights in the INTEL
19 name and mark, and its family of INTEL-formative trademarks and service marks, for all of the goods
20 and services and activities identified herein.

21 16. Intel maintains an Internet site on the World Wide Web at the address
22 <http://www.intel.com>. Intel has used its trade name and trademark as an Internet address in order to
23 make it easy for customers to locate Intel's web site, and to identify that the web site is owned by Intel.
24 Intel's web site features the INTEL marks and many other INTEL composite marks.

25 17. As a consequence of the extensive sales, advertising, promotion, and use of the INTEL
26 and INTEL composite marks, Intel has developed enormous recognition for its products and services
27 under the INTEL mark and has acquired and enjoys an immensely valuable reputation and tremendous
28

1 goodwill under the mark. The INTEL mark is world renowned, and is a "famous" mark for purposes
2 of 15 U.S.C. § 1125(c)(1).

3 **IV. INTELLECTRIC'S BUSINESS**

4 18. On information and belief, Intellectric offers electrical services to customers in
5 California.

6 19. The Intellectric mark wholly incorporates the world-famous INTEL trademark, with
7 the addition of an extra "L," and the generic word "electric." The only distinctive portion of the
8 Intellectric name and mark is "Intel," identical in sight and sound to the world famous INTEL mark.
9 In addition, Intel is informed and believes that Intellectric markets its services through similar
10 channels of trade and to similar customers as Intel.

11 20. Despite Intel's numerous attempts to amicably resolve the dispute, Intellectric has
12 persisted in using the Intellectric trade name and trademark and has refused to voluntarily change its
13 mark, leaving Intel no choice but to file this Complaint.

14 **FIRST CAUSE OF ACTION**
15 **TRADEMARK INFRINGEMENT**
16 **(15 U.S.C. § 1114)**

17 21. Intel realleges and incorporates herein by reference the matters alleged in paragraphs
18 1 through 20 of this Complaint.

19 22. Intellectric either had actual notice and knowledge, or had constructive notice, of
20 Intel's ownership and registrations of the INTEL mark pursuant to 15 U.S.C. § 1072 prior to
21 Intellectric's adoption and use of the Intellectric trade name and trademark.

22 23. Upon information and belief, Intellectric was aware of Intel's business and its INTEL
23 mark and registrations prior to the adoption and use of the Intellectric trade name and trademark.

24 24. Upon information and belief, Intellectric without Intel's consent, deliberately adopted
25 the Intellectric trade name and trademark in connection with its services in an attempt to trade on the
26 enormous goodwill, reputation, and selling power established by Intel under the INTEL mark

27 25. Intellectric's unauthorized use of the Intellectric trade name and trademark falsely
28 indicates to consumers that Intellectric's services are in some manner connected with, sponsored by,

1 affiliated with, or related to Intel, Intel's licensees, and the products and services of Intel and Intel's
2 licensees.

3 26. Intellectric's unauthorized use of the Intellectric trade name and trademark is also
4 likely to cause consumers to be confused as to the source, nature and quality of the services
5 Intellectric is promoting or selling.

6 27. Intellectric's unauthorized use of the Intellectric trade name and trademark in
7 connection with the sale of its services allows, and will continue to allow, Intellectric to receive the
8 benefit of the goodwill established at great labor and expense by Intel and to gain acceptance of
9 Intellectric's services, not based on the merits of those services, but on Intel's reputation and
10 goodwill.

11 28. Intellectric's unauthorized use of the Intellectric trade name and trademark in
12 connection with the sale of its services deprives Intel of the ability to control the consumer perception
13 of the quality of the services marketed under the INTEL mark, and places Intel's valuable reputation
14 and goodwill in the hands of Intellectric, over which Intel has no control.

15 29. Intellectric has caused confusion and is likely to cause further confusion, or to cause
16 mistake, or to deceive consumers or potential consumers in violation of 15 U.S.C. § 1114.

17 30. Intel has been, is now, and will be irreparably injured and damaged by Intellectric's
18 trademark infringement, and unless enjoined by the Court, Intel will suffer further harm to its name,
19 reputation and goodwill. This harm constitutes an injury for which Intel has no adequate remedy at
20 law.

21 **SECOND CAUSE OF ACTION**
22 **FALSE DESIGNATION OF ORIGIN**
(15 U.S.C. § 1125(A))

23 31. Intel realleges and incorporates herein by reference the matters alleged in paragraphs
24 1 through 30 of this Complaint.

25 32. Intellectric's unauthorized use of the Intellectric trade name and trademark falsely
26 suggests that its services are connected with, sponsored by, affiliated with, or related to Intel, and
27 constitutes a false designation of origin in violation of 15 U.S.C. § 1125(a).
28

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44**Authority For Civil Cover Sheet**

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

I. (a) Plaintiffs-Defendants. Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

(b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

(c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.C.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.

United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.

Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.

Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; federal question actions take precedence over diversity cases.)

III. Residence (citizenship) of Principal Parties. This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

IV. Nature of Suit. Place an "X" in the appropriate box. If the nature of suit cannot be determined, be sure the cause of action, in Section VI below, is sufficient to enable the deputy clerk or the statistical clerks in the Administrative Office to determine the nature of suit. If the cause fits more than one nature of suit, select the most definitive.

V. Origin. Place an "X" in one of the seven boxes.

Original Proceedings. (1) Cases which originate in the United States district courts.

Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.

Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.

Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.

Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.

Multidistrict Litigation. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407. When this box is checked, do not check (5) above.

Appeal to District Judge from Magistrate Judgment. (7) Check this box for an appeal from a magistrate judge's decision.

VI. Cause of Action. Report the civil statute directly related to the cause of action and give a brief description of the cause. Do not cite jurisdictional statutes unless diversity. Example: U.S. Civil Statute: 47 USC 553

Brief Description: Unauthorized reception of cable service

VII. Requested in Complaint. Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.

Demand. In this space enter the dollar amount (in thousands of dollars) being demanded or indicate other demand such as a preliminary injunction.

Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.

VIII. Related Cases. This section of the JS 44 is used to reference related pending cases if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.
